

Discover What Thermage Can Do For You

*Please join us for a Complimentary
Educational Seminar to discuss the newest
techniques in
Thermage, non-surgical skin tightening.*

Thursday, May 12th

5:30-7:30pm

In Office

8201 Preston Road #350

This safe, simple one time treatment tightens the skin and redefines facial contours without the risk and recovery period associated with traditional, surgical face-lifts.

*Come learn more about this fascinating procedure.
Space is limited. Make your reservations today.*

214-631-7546

*Refreshments will be served.
10% discount on any Thermage procedure
scheduled this evening.*

(please call to reserve your seat, do not reply to this via e-mail)
